Introduction:

Government of Maharashtra has envisaged the implementation of the Integrated University Management System (IUMS) project for providing a web-enabled online platform for all the State Universities in Maharashtra. Under the IUMS project, the universities will be equipped with strong ICT backbone for providing a seamless experience for students, faculty, University officials, employees, affiliated colleges and other stakeholders etc. over the coming years.

The High Powered Committee chaired by Chief Secretary has granted approval to the Detailed Project Report (DPR) of the IUMS project in its 119th meeting held on 18th January 2018. The project is being implemented by the Maharashtra Information Technology Corporation (MahaIT). The RFP for selection of system integrator has already been floated by MahaIT, the bid process is done and system integrator has selected. The IUMS project is an integrated project involving a wide ranging set of stakeholders ranging from students, faculty, Universities, Higher and Technical Education Department and the IT Department. To ensure effective and time bound implementation of the project, it is necessary to put in place a robust governance structure for overall planning, co-ordination and project monitoring.

Accordingly, the Government has decided to set up a governance structure for the IUMS project.

Government Circular:

For the governance and monitoring of the entire project of IUMS project, the following governance structure is being modified as below:
